- J. The press advertisement last night was that if you went to Des Moines a reception for you ~~speech could be put~~ & w/ that money would be great. They asked about your mood & were you trying to separate yourself. I said that you must place w/ yourself. Braden said he asked Colby if he could ~~clear~~ ^{clear} ~~assassinations~~ ^{assassinations} or plans for the soil no. Colby was go.
- P. I agree. It's a matter of who & when. I want to go into a country. Look but I want in to be in the country about our F.O.
- K. I have thinking after last night, I don't have to give major speech each time. Just talk for 20 minutes.
- P. That's right. The night is you saying it. The thrust is we have to be strong.
- K. We can take sections from your speech & put it. The people last night think after your time will be enormous. Brinkley.
- This day is really in America because of Westgate. Osborn that your speech was great & a partner was one of most courageous things you have done. The press is only the life of a country.
- P. The local press. Not out since country.
- K. The press is out of touch. Over that the T ^{has} ~~has~~ ~~been~~ taken so off this year this year better than next, we may have opportunities. Glen

w/ Schmidt to show them a concern about
Portugal. Even it in T. papers. I told Allen
about them going to discuss to extract Sino. They (S)
in doing it this way make it look as if they
are going behind our backs.

E is afraid of an attack. I think we should tell
them if it happens we will formally challenge.

P. Should we tell C I that?

K. When Allen is here.

(Schedule talk)

3 out of 5 speeches now on F-1 would be good.

Rallying the people should be the theme. We
should stress a last part of speech, but not
avoid it either.

P. Is the VP going to go
